HACKNEY'S LUNCH CLUBS

Hackney CVS contacted their lunch clubs as most have now closed. They asked the clubs if:

- they can continue to make lunches and deliver them to their members
- the members have family support or need support
- the luncheon space could be used by others who are co-ordinating local food efforts.

Feedback suggested that lunch clubs are in telephone contact with their members to check how they are coping and support their mental wellbeing.

[Halkevi Lunch Club](#) have linked up with local Turkish shops to arrange deliveries to their members.

[Nightingale](#) are dropping off ready meals to the members daily.

[Holly Street and Chats](#) members all have family support.

[Salvation Army](#) are providing shopping runs for their members.

[Hackney Cypriot](#) potentially have a number of the members who will need further support.
